
Arkansas Seed

Quality CRP and Other Habitat Seed designed for Wildlife

ARKANSAS MIXES ARE NOW PRE BULKED AND SEEDS ARE NO LONGER SEPARATED

\$0.00 / acre (0.0 acres available)

Arkansas mixes are now pre bulked with rice hulls to a bulk seeding rate of 10lbs / acre. All species are combined into one mix. If you need your seed separated and or non bulked please contact us directly by phone or email to place your order. Updated 2/3/2025.

MORE SOUTHEAST AND FOOD PLOT MIXES AVAILABLE UNDER "REGIONAL MIXES" AND "FOOD PLOT" MIXES

\$0.00 / acre (0.0 acres available)

Don't see what you are looking for? You can find more 'non-program' habitat and food plot mixes listed under 'Regional Mixes' and 'Food Plot' mixes.

WE DO CUSTOM MIXES

\$0.00 / acre (0.0 acres available)

Can't find the right mix for your project? Our team of wildlife biologists have worked to design mixes that meet standards, provide great habitat for wildlife AND are affordable, but if you can't find the mix you need for your project let us know at 866-914-7373 or seed@pheasantsforever.org where we can provide a quote for a locally designed mix, direct you to the right mix or work with you to create a custom mix for your project. Think Habitat!

AR OUACHITA / BLACKLAND PRAIRIE POLLINATOR MIX

\$262.00 / acre (999.0 acres available)

This highly-diverse, 62 species, pollinator mix is designed for the Ouachita and Blackland Prairie Region of Arkansas. It meets and exceeds the NRCS 327 & 420 standards for Wildlife, Pollinator, and Monarch habitat seedings for CRP, EQIP, CSP, and most other conservation programs (*Be sure to check with your NRCS office if you are purchasing for a program*). *** milkweed may need to be increased for certain NRCS programs ** 3.334 PLS lbs/acre. Click on the mix title to place your order or to view the species and rates included in this mix. This mix is now pre bulked with rice hulls to a bulk seeding rate of 10lbs / acre. All species are combined into one mix. If you need your seed separated and or non bulked please contact us directly to place your order. Updated 2/13/25.

AR DELTA (MISSISSIPPI ALLUVIAL PLAIN) POLLINATOR MIX

\$258.00 / acre (996.0 acres available)

This highly-diverse, 48 species, pollinator mix is designed for the Delta Region of Arkansas. It meets and exceeds the NRCS 327 & 420 standards for Wildlife, Pollinator, and Monarch habitat seedings for CRP, EQIP, CSP, and most other conservation programs (*Be sure to check with your NRCS office if you are purchasing for a program*). 3.527 PLS lbs/acre. Click on the mix title to view the species and rates in this mix or to place your order. This mix is now pre bulked with rice hulls to a bulk seeding rate of 10lbs / acre. All species are combined into one mix. If you need your seed separated and or non bulked please contact us directly to place your order. Updated 2/13/25.

AR COASTAL PLAINS POLLINATOR MIX

\$256.00 / acre (996.0 acres available)

This highly-diverse, 59 species, pollinator mix is designed for the Coastal Plains Region of Arkansas. It meets and exceeds the NRCS 327 & 420 standards for Wildlife, Pollinator, and Monarch habitat seedings for CRP, EQIP, CSP, and most other conservation programs (*Be sure to check with your NRCS office if you are purchasing for a program*). 3.198 PLS lbs/acre. Click on the mix title to view a species list or to place your order. This mix is now pre bulked with rice hulls to a bulk seeding rate of 10lbs / acre. All species are combined into one mix. If you need your seed separated and or non bulked please contact us directly to place your order. Updated 2/13/25.

AR OZARKS POLLINATOR MIX

\$267.00 / acre (931.0 acres available)

This highly-diverse, 64 species, pollinator mix is designed for the Ozarks Region of Arkansas. It meets and exceeds the NRCS 327 & 420 standards for Wildlife, Pollinator, and Monarch habitat seedings for CRP, EQIP, CSP, and most other conservation programs (*Be sure to doublecheck with your NRCS office if purchasing for a program*). 3.417 PLS lbs/acre. Click on the mix title to view the species and rates included in this mix or to place your order. This mix is now pre bulked with rice hulls to a bulk seeding rate of 10lbs / acre. All species are combined into one mix. If you need your seed separated and or non bulked please contact us directly to place your order. Updated: 2/13/2025.

AR RIVER VALLEY POLLINATOR MIX

\$262.00 / acre (976.0 acres available)

This highly-diverse, 65 species, pollinator mix is designed for the Arkansas River Valley Region of Arkansas. It meets and exceeds the NRCS 327 & 420 standards for Wildlife, Pollinator, and Monarch habitat seedings for CRP, EQIP, CSP, and most other conservation programs (*Be sure to check with your NRCS office if you are purchasing for a program*). 3.381 PLS lbs/acre. Click on the mix title to place an order or to view the species and rates included

in this mix. This mix is now pre bulked with rice hulls to a bulk seeding rate of 10lbs / acre. All species are combined into one mix. if you need your seed separated and or non bulked please contact us directly to place your order. Updated 2/13/25

AR SOLAR FARM / ROW MIX

\$148.00 / acre (496 0acres available)

Pollinator-friendly mix composed of native grasses and forbs which provide the best all-around habitat for Monarchs, bees, and all other pollinator species as well as our favorite upland birds. Mix designed to meet and exceed pollinator-friendly solar scorecards. Also, this mix is designed to grow within a lower height range so it will not affect solar panels. Plan to use this mix in properly prepared soils and employ Integrated Vegetation Management and/or Conservation Grazing best practices to maintain and maximize operational savings. 26 Species. 9.773 PLS lbs/acre (INCLUDES OATS @ 7.0 lbs/acre). Click on the mix title to place an order or view the species and rates included in this mix. Updated 2/13/25.

AR NWSG GRASS ONLY GRAZING MIX

\$161.00 / acre (493 0acres available)

This working lands NWSG grazing mix is designed to help with summer forage slump. It is designed to meet and exceed the NRCS standards for grazing practices for EQIP, CSP, and most other conservation programs (*Be sure to check with your NRCS office if you are purchasing for a program*). Mix Summary: Grass (4 species, 39.4 seeds/ft2,100%) with a total base seeding rate of 10 PLS#s/ac (4 species, 39.4 seeds/ft2). Updated 1/23/25.

AR BASIC NWSG GRAZING MIX

\$184.00 / acre (1000 0acres available)

This working lands NWSG grazing mix is designed to help with summer forage slump. It is designed to meet and exceed the NRCS standards for grazing practices for EQIP, CSP, and most other conservation programs (*Be sure to check with your NRCS office if you are purchasing for a program*). Mix Summary: Grass (4 species, 39.398 seeds/ft2, 91.93%), Wildflowers (10 species, 3.457 seeds/ft2; 8.07%). Total base seeding rate of 10.628 PLS#s/ac (14 species, 42.855 seeds/ft2). Click on mix title to place an order or to view the species and rates included in this mix. Updated 1/23/25.

AR NWSG W/ FORBS GRAZING MIX

\$208.00 / acre (999 5acres available)

This working lands NWSG grazing mix is designed to help with summer forage slump. It is designed to meet and exceed the NRCS standards for grazing practices for EQIP, CSP, and most other conservation programs (*Be sure to check with your NRCS office if you are purchasing for a program*). Mix Summary: Grass (4 species, 39.398 seeds/ft2, 88.82%), Wildflowers (18 species, 4.96 seeds/ft2, 11.18%). Total base seeding rate of 11.05 PLS#s/ac (22 species, 44.359 seeds/ft2). Click on the mix title to place your order or to view the included species and rates of this mix. Updated 1/23/25

AR DIVERSE GRAZING MIX

\$197.00 / acre (1000 0acres available)

This diverse grazing mix contains both NWSG and NCSG components to help specialized grazers extend the grazing season of their native pasture. It is designed to meet and exceed the NRCS standards for grazing practices for EQIP, CSP, and most other conservation programs (*Be sure to check with your NRCS office if you are purchasing for a program*). 11.75 PLS lbs/acre. Click on mix title to place an order or to view the species and rates included in this mix. 24 species. Updated 1/23/25.
